Fictional character in the Star Wars franchise This article is about a fictional character. For other uses, see Chewbacca (disambiguation). Fictional character ChewbaccaStar Wars characterFirst appearanceStar Wars (1977)Created byGeorge LucasPortrayed by Peter Mayhew Joonas Suotamo In-universe informationSpeciesWookieeGenderMaleOccupationCo-pilot and first mate onMillennium Falcon [1]AffiliationRebel AllianceResistanceFamily Mallatobuck (wife) [2] Lumpawaroo (son) [3] Others in Legends [a] HomeworldKashyyyk Chewbacca (/tʔu?b?k/ choo-BAH-k?), nicknamed "Chewie", is a character in the Star Wars franchise created by George Lucas. He is a Wookiee—a tall, hairy, highly intelligent species originating from the fictional planet Kashyyyk.[4][5] He is 7.5 feet (2.3 m) tall, and typically wears only a bandolier and a tool pouch.[1][6] He carries a bowcaster, a traditional Wookiee weapon, and he speaks the Wookiee language Shyriiwook.[7][8] He first appears in the original film trilogy as the loyal friend of the smuggler Han Solo. He is also the co-pilot of Han's starship, the Millennium Falcon.[1][9] Chewbacca is portrayed by Peter Mayhew in five films. In *The Force Awakens*, Mayhew shares the role with Joonas Suotamo, who took over the portrayal for subsequent films. Chewbacca also appears in animated series, novels, comics, and video games. Creation[edit] George Lucas invented many fictional characters while writing the original 1977 *Star Wars* film.[b][10] Chewbacca was inspired by his dog, an Alaskan Malamute named Indiana. She would sit in the passenger seat of his car while he was driving, and he referred to her as his "co-pilot".[11][12] Chewbacca's name was derived from the Russian word *sobaka* (??????), which means "dog".[13] In France, his name was changed in the original French-language release of *Star Wars*. He was called *Chiktabba*, and his nickname was *Chico*.^[14] Portrayals[edit] Chewbacca is portrayed by Peter Mayhew in the original *Star Wars* trilogy, the *Star Wars Holiday Special* (1978), and *Revenge of the Sith* (2005), the final film of the

Chewbacca Wikipedia Content

Section 2

prequel trilogy.[15][9] Mayhew was cast primarily for his height of 7 feet 3 inches (2.21 m).[16] He shares the Chewbacca role with his body double, Joonas Suotamo, in *The Force Awakens* (2015), the first film of the sequel trilogy.[17] Following Mayhew's retirement in 2017, Suotamo took over the role, appearing in *The Last Jedi* (2017) and *The Rise of Skywalker* (2019), the second and third films of the sequel trilogy, respectively.[18] Suotamo also plays Chewbacca in the standalone film *Solo: A Star Wars Story* (2018).[19] The Chewbacca costume used in the original trilogy and the *Star Wars Holiday Special* was made from yak hair, rabbit hair and mohair.[20] For *The Force Awakens*, multiple Chewbacca suits were crafted from yak hair, Lycra and a small amount of mohair.[21] Chewbacca's voice was created by Ben Burtt, the sound designer for the original trilogy.[22] He generated the Wookiee's vocalizations by mixing together recordings of four bears, a badger, a lion, a seal, and a walrus.[23] Appearances in the official Star Wars canon[edit] Films[edit] Original trilogy[edit] Chewbacca first appears in *Star Wars* (1977). He and Han Solo are smugglers who accept a charter to take Luke Skywalker, Obi-Wan Kenobi, and the droids C-3PO and R2-D2 to the planet Alderaan aboard their ship, the *Millennium Falcon*. When they find the planet obliterated by the Death Star, Chewbacca and Han help their passengers rescue Princess Leia and take her to the Rebel base on Yavin 4. In the film's climactic battle scene, Chewbacca and Han save Luke from being killed by Darth Vader, which allows Luke to destroy the Death Star. After the battle, Leia acknowledges Chewbacca for his achievements alongside Luke and Han. *The Empire Strikes Back* (1980) takes place three years after *Star Wars*. Chewbacca and Han are planning to leave the Rebellion to

Section 3

Chewbacca Wikipedia Content

pay off a debt to Jabba the Hutt, but are drawn back into the war when the Empire assaults the Rebel base. Chewbacca, Han and Leia seek refuge in Cloud City with Han's friend Lando Calrissian, unaware that Lando has betrayed them to the Empire. C-3PO is blasted into pieces by an Imperial stormtrooper, and Chewbacca rescues him from being melted down. Before Han is frozen in carbonite and delivered to Jabba, he asks Chewbacca to look after Leia for him. Chewbacca, Leia and Lando escape from Darth Vader in the Falcon. When Leia hears Luke's cry for help, she orders Chewbacca to turn the ship around to rescue him. In the film's final scene, Chewbacca joins the others in preparing to rescue Han from Jabba. At the beginning of Return of the Jedi (1983), Chewbacca infiltrates Jabba's palace by pretending to be the prisoner of a bounty hunter, who is actually Leia in disguise. Chewbacca and his companions manage to rescue Han and escape. Later, Chewbacca joins the others on a mission to destroy the second Death Star's shield generator, which is located on Endor. During a battle, Chewbacca commandeers an AT-ST walker, which contributes to the mission's success. At the end of the film, Chewbacca and the other Rebels celebrate the destruction of the Death Star and the fall of the Empire. Prequel trilogy[edit] In Revenge of the Sith (2005), Chewbacca and his fellow Wookiee Tarfful fight in the Clone Wars when Kashyyyk is invaded by the Separatist Alliance. They also help the Jedi Master Yoda escape from clone troopers that were ordered to kill him. Sequel trilogy[edit] In The Force Awakens, set 30 years after Return of the Jedi, Chewbacca and Han are piloting a cargo vessel and find the Millennium Falcon, which had been stolen from

Section 4

them. They help the rogue First Order stormtrooper Finn, the scavenger Rey and the droid BB-8 escape from a gang of mercenaries, then fly to the castle of Maz Kanata so she can help them get BB-8 to the Resistance. While they are at Maz's castle, the First Order arrives and captures Rey.

Chewbacca Wikipedia Content

Chewbacca and the others fly to a Resistance base, where Chewbacca and Han reunite with Leia, C-3PO, and R2-D2. They also soon reunite with Rey, who escaped from the First Order. During a Resistance mission, Han is killed by his son Kylo Ren, which prompts an enraged Chewbacca to shoot Kylo in the side. The Wookiee then sets off explosives that allow Poe Dameron and other X-wing pilots to destroy Starkiller Base, the First Order's superweapon. Before the base explodes, Chewbacca rescues Rey and Finn from the wilderness, where they had been fighting with Kylo. Later, Chewbacca helps Rey find Luke on the planet Ahch-To. Chewbacca returns in *The Last Jedi* (2017), which takes place immediately after *The Force Awakens*. While Rey attempts to convince Luke to train her, Chewbacca develops a relationship with some seabirds known as Porgs. Later on, Chewbacca and Rey help the Resistance by using the Falcon to distract First Order TIE fighters. In *The Rise of Skywalker* (2019), Chewbacca and his companions travel to the planet Pasaana, where they search for a clue to the location of a Sith wayfinder. With the help of Lando, they locate the clue, but are quickly found by the First Order. While Rey confronts Kylo, Chewbacca is captured and taken aboard a transport. Rey uses the Force to arrest the flight of the transport she mistakenly believes Chewbacca is on. She accidentally destroys the ship with Force lightning, and believes she has killed Chewbacca, who in

Section 5

reality was on a different transport. Deeply shaken by the apparent death of the Wookiee, Rey and the others pledge to continue the mission in his memory. Later on, Chewbacca's friends realize he is alive, and manage to rescue him. When they return to the Resistance base, they learn of Leia's death, and Chewbacca is distraught. He then helps Lando recruit citizens from across the galaxy to defeat the First Order and its Sith Eternal allies. Near the end of the film, Chewbacca receives a medal from Maz. *Solo: A Star Wars Story*[edit] Chewbacca appears in the 2018 standalone film

Chewbacca Wikipedia Content

Solo: A Star Wars Story, which details his first meeting with Han. The Wookiee had been captured by Imperials on the planet Mimban, and is held captive in a small pit. Han, considered a "troublemaker" by the Imperials, is thrown into the pit to be eaten by Chewbacca. The Wookiee attacks Han, but stops when Han reveals he can speak Shyriiwook. Chewbacca and Han form an instant bond and escape their captors. They join the crew of the thief Tobias Beckett, and make several attempts to steal coaxium for the Crimson Dawn crime syndicate. On Kessel, Chewbacca frees several other Wookiees from slavery. During the Kessel Run—in which Han flies the Falcon through a cloudy maelstrom—Chewbacca reveals his skill as a pilot. Near the end of the film, Beckett turns traitor and captures Chewbacca. After Han saves his friend and kills Beckett, he wins the Falcon from Lando. Han and Chewbacca then set off on more adventures in the Falcon. Animated series[edit] In the season 3 finale of the television series The Clone Wars, Chewbacca is captured by Trandoshan hunters, but is freed by Ahsoka Tano and agrees to help her and two younglings escape. He and Ahsoka attack the

Section 6

Trandoshan fortress before they are found and assisted by Tarfful and other Wookiees.[24] Chewbacca appears in both seasons of the web series Forces of Destiny (2017–2018). He is featured in episodes 5 and 10 of season 1,[25][26] and in episodes 6 and 12 of season 2.[27][28] Novels and comics[edit] Chewbacca is featured in the novels Smuggler's Run: A Han Solo and Chewbacca Adventure (2015)[29] and The Mighty Chewbacca in the Forest of Fear (2018).[30] He appears in the comics Chewbacca (2015),[31] Life Day (2021)[32] and Han Solo and Chewbacca (2022–2023).[33] Appearances in Star Wars Legends[edit] See also: Star Wars in other media In 2014, most of the licensed Star Wars novels and comics produced since 1977 were rebranded by Lucasfilm as Star Wars Legends and declared non-canon to the franchise. The Legends works

Chewbacca Wikipedia Content

comprise a separate narrative universe.^{[34][35][36][37]} Novels^[edit] Chewbacca appears in the novel trilogies *The Han Solo Adventures* (1979?1980), *The Black Fleet Crisis* (1996?1997) and *The Han Solo Trilogy* (1997?1998) as well as the novels *Heirs of the Force* (1995), *Rebel Dawn* (1998), *Vector Prime* (1999), and *Dark Lord: The Rise of Darth Vader* (2005). *The Rise of Darth Vader* is set just after *Revenge of the Sith*. When the Empire enslaves most of Kashyyyk's population to build the Death Star, Chewbacca escapes with a group of smugglers who are friendly to the Jedi. *The Hutt Gambit*?the second novel in *The Han Solo Trilogy*?explains how Chewbacca and Han first meet. While serving as a lieutenant in the Imperial Navy, Han finds Chewbacca unconscious aboard a slave ship. Han is ordered to skin the Wookiee, but rescues him instead. Upon regaining consciousness, Chewbacca swears a "life-debt" to Han, and the two become business partners and friends. In *Vector Prime*, Chewbacca sacrifices his life to save Han's son Anakin from a

Section 7

collision between the planet Sernpidal and one of its moons. Two of the Wookiee's family members offer to assume Chewbacca's life debt to Han. Comics^[edit] The novel *Vector Prime* was followed by a four-issue comic series titled *Star Wars: Chewbacca*, in which C-3PO and R2-D2 travel the galaxy collecting stories of beings who knew or met the Wookiee. Other appearances^[edit] The 1978 television program *Star Wars Holiday Special* introduces Chewbacca's family, including his wife Mallatobuck, his son Lumpawarrump, and his father Attichitcuk, who is the chief of the Kaapauku Tribe. The program features a story in which Chewbacca and Han travel to Kashyyyk to celebrate Life Day, while trying to prevent Darth Vader from spoiling the holiday.^[38] Chewbacca is a playable character in a variety of video games, including *Masters of Teräs Käsi*, *Star Wars Battlefront II*, *Star Wars Battlefront: Renegade Squadron*, *Star Wars Battlefront: Elite Squadron*, and the 2017 version of *Star Wars Battlefront II*. The Wookiee is also playable in the *Lego Star Wars* games *Lego Star*
